

THROUGH WOMEN'S HANDS

In honor of International Women's Day, Chatham Kent Women's Centre is presenting *Through Women's Hands* art show and sale. This show will feature female artisans throughout Chatham-Kent in many different mediums. If you are looking for that special piece of art created by one of our local artists, join us on Monday March 8th at the Portuguese Canadian Social Club at 346 Grand Ave. Hors d'oeuvres will be served along with a cash bar. Tickets \$20 each with a \$10 tax receipt and are available by calling CKWC at 519-351-9144 ext 0

Chatham-Kent is fortunate to have a large group of female artisans, and this event profiles their expertise in many different mediums with the opportunity to sell their pieces, states Patricia Arango, Executive Director of CKWC.

Proceeds from this event will remain in Chatham-Kent to support the Community Outreach Program which provides both individual and group counseling to women and children throughout Chatham-Kent. Presently, offices are located in Chatham, Wallaceburg, Dresden, Moraviantown, Ridgetown, Blenheim and Tilbury.
